## EXPERIENCE

**American Express — Brand Marketing Intern | Shanghai, China** **Jul 2026 – Aug 2026**

- Supported the Platinum Card refresh campaign by evaluating competitor campaigns, branded IPs, and lifestyle marketing cases; translated product benefits into consumer-led RED (Xiaohongshu) activation ideas and helped review ~20 key visuals and 10 content pieces across 10+ rounds.
- Contributed to an ATP Masters integrated marketing activation focused on brand awareness, engagement, and card acquisition; designed online sweepstakes and offline interaction mechanics, and oversaw bank-specific key visuals and mobile landing-page development, QA, and user-flow optimization.
- Independently managed creator brief development for the “Ten Cities, Hundred Restaurants” campaign, aligning brand requirements, dining scenarios, and audience preferences; coordinated 2 creators and 20+ restaurants to launch content across 2 cities on schedule.

**Vision Star Media — Short-Form Drama Product Placement Planning Intern | Shanghai, China** **Jan 2024 – Mar 2024**

- Built and continuously updated a database of 200+ short-form drama opportunities, evaluating audience profiles, content style, brand positioning, and product-use scenarios to support partnership screening and creative recommendations.
- Developed a narrative product-placement concept for Midea’s Yun Duo series by integrating product benefits into character relationships and plot development; the core concept was approved by the client and launched. Also supported on-set placement execution for Wolong Foods.
- Managed 5+ brand clients and 15+ marketing proposals across brief analysis, content screening, creative development, and presentation; contributed to 1 signed project and 1 winning pitch.

**Youping Media — Media Execution Intern | Shanghai, China** **Jul 2023 – Nov 2023**

- Supported Fujifilm campus activations and a Royal Caribbean livestream project across planning, materials coordination, on-site execution, and stakeholder communication; the Fujifilm program reached 3 Shanghai universities, attracted ~300 students, and generated ~90 UGC posts.
